Subject: RE: BSC TRAINING REMINDER!

Kristin,

Since the original sign-up for the training, I have changed labs from the HIV Virus lab to the Drug Analysis lab and no longer use Biological hoods. I asked my supervisor, Charles Salemi, if I still needed to take the BSC training, and he said he didn't see any reason why I would, so I will not be in attendance tomorrow (i.e. don't wait on me to start). Sorry for the short notice.

Sonja

Subject: BSC TRAINING REMINDER!
Importance: High

Just a reminder--You are scheduled to attend "Safe Use of Biological Safety Cabinets" training tomorrow. The day will begin at 8:30 and will conclude at approximately 4:00 PM. The training will be held in the auditorium.

See you there!
